

2025 TIA Member Staff Benefits

Tourism Industry Aotearoa (TIA) is the only independent association representing all sectors of New Zealand's large and diverse tourism industry. We advocate for your interests, ensuring tourism is recognised as a vital contributor to New Zealand's economic and social wellbeing. Our members range from small owner-operated businesses to large corporates. By uniting the industry, we accomplish what no single member or sector group could achieve alone.

As a TIA member, you and your entire team have access to exclusive savings, advice, training and insights through TIA's business partners. To access these offers, head to MyTIA.
